Mon 1st & Tue 2nd August 2022

8.30am -3.30 pm

\$145

Per day
Workshop Manual
\$59
(includes GST)

Workshop Highlights...

Want to engage students? Want to raise test scores? Want teacher-friendly strategies to implement tomorrow? This workshop is for you! You'll experience cutting edge teaching structures to create classroom success now and forever! In addition, you'll learn management tips, how to form effective teams, strategies for creating a cooperative class through teambuilding and classbuilding, and why cooperative learning produces gains when group work often fails. Finally, a class that has practical, hands-on ideas grounded in sound research and theory.

Structures for Success

- Save valuable time and energy with easy-to-use structures that make lesson planning more effective
- Engage all students throughout each lesson with new cooperative learning structures
- Lessen your load, make teaching easier, and boost students' test scores!

Manage Your Class for Success

- Learn classroom management tips
- Develop effective student teams
- Increase learning and thinking skills
- Arrange your classroom for success
- Keep students on task, develop social skills and effectively manage disruptions with engaging structures

- *What a fantastically successful two days of professional learning we had on Monday and Tuesday! It would have to be, without a shadow of a doubt, the most effective professional learning I have ever done.* Jack B, Principal WA
- *Everything about the presentation was extremely exciting! The content of this program is very engaging and can be effectively implemented in the classroom. Each aspect is independently designed to promote a variety of instructional practices that will ensure all students will experience success! It's great!* Melissa, K-6 teacher, ACT
- *Being introduced to Kagan Cooperative Learning and integrating it into my teaching practice has revolutionised everything I do in the classroom. I am a far more effective teacher than ever before and the enjoyment my students and I experience by using Kagan in the classroom is immeasurable* Peter, HT HSIE, Winner Australian Quality Teachers Award, NSW
- *I love using Kagan Structures in my classroom. Since my initial training I have changed the way I organise my day, the amount of student talk in the room, and of course, the level of student engagement. The structures also help with my management, gets students up and moving and provides a safe, open and student-centred environment.* Shannon S, Yr4 teacher, SA
- *All the years I have taught in schools (20+) I have never had such an amazing PD. I really learnt a lot. Looking forward to more Kagan workshops because you can use what you learn immediately in the classroom.* Michael T, 7-10 Maths/Science, NSW

Total cost \$145 per day + \$59 for manual **BYO morning tea & lunch**
